R U ready for the winter flu season?

Kankakee County Health Department's last "walk in" flu clinic will be held Thursday, October 27, 9 am to 4 pm.

There is still time to protect yourself and others from the flu.

After Thursday, flu shots will still be available by appointment only, while the vaccine supply lasts. For an appointment 815-802-9300.

Get your flu shot so you are ready for a healthy winter.
